

"NEW PRODUCT TO CARRY" REQUEST LETTER!

Dear Store Manager,

My friends and I would appreciate it if you would consider carrying a particular natural dental care product called **Tooth Soap®**, produced by a well-established, American company called **Vitality Products, Inc.**

"In all my research, I've never found a product like Tooth Soap®. No more sensitive teeth. Instead, they feel stronger and healthier. Goodbye toothpaste. I love this stuff!" — Mandy P., Eagle, ID

"I've been using Tooth Soap® for about two weeks now and I love it! My teeth have never felt this clean, even after my dentist cleans them! I am telling everyone!" — Barbara S., Dayton, OH

"My husband and I both enjoy using your products, and have had fewer visits to the dentist since we started using them. How can we ever thank you?" — Lani M. Gallimore

"I've been using Tooth Soap® for about a week now and I'm very happy with the results. When I move my tongue across my teeth, instead of feeling plaque, I feel smooth, clean teeth." — Heidi

As you can read from these testimonials, there is no other product available on the market today that cleans teeth and gums like **Tooth Soap®**. Tooth Soap® is the only tooth cleanser of its kind!

Thousands of happy and satisfied customers (worldwide) attest to the fact that they are now getting better dental check-ups because of using this product. You can certainly learn more about **Tooth Soap®** at **www.ToothSoap.com**. Check it out, and read all you can about this great product!

Currently, the only place to buy **Tooth Soap®** and other products offered by the same company, is at their web site, www.ToothSoap.com. Well, since Tooth Soap® is a "consumable" product used by thousands of repeat buyers, I'd like to ask if you would consider carrying Tooth Soap® (and their other products) in your store. Think about it, why should we continue to spend extra money on shipping and mailing costs when we can spend our monies with you purchasing a product we love and use all the time? This is why I'm contacting you. ☺

Anyhow, I so appreciate your taking the time to consider this matter. My friends and I all look forward to hearing about your decision, as we are telling everyone about my contacting you. We hope you see the value in adding a quality health and dental product, like **Tooth Soap®**, to your inventory of products you sell. We know it will fly off the shelves faster than some of your other dental care products. Just you watch and see!

Kind regards,
